

HE WAS DESPERATE,  
AND RESISTED THE OFFICERS AT THE  
MUZZLE OF A GUN.A Curious Case in King George County—An  
Outrageous Assault in Spot-  
sylvania County.

(Special Telegram to the Dispatch.)

FREDERICKSBURG, Va., May 29.—In King George county yesterday evening Deputy Sheriff McDaniel undertook to remove Charles Peyton from a tenement-house belonging to Charles McDaniel, who was long to the Sheriff's staff as a convict. The object Peyton became furiously enraged and ordered the Sheriff to leave, saying if he did not he would shoot him. The Sheriff paid no heed to Peyton's threats and proceeded to discharge his duty, when Peyton entered the house, and in a few moments returned with a double-barreled shotgun, and leveling it at the Sheriff said: "I will see whether you leave or not." At this point the Sheriff thinking discretion the better part of valor, decided to leave, and Peyton followed him. He then retreated from the house, followed by Peyton, who followed him until he had gotten some distance from the house, when Peyton fired, and the bullet struck him in the back. Peyton then returned to the house and prepared himself for treatment. The Sheriff returned with a posse with another warrant for the arrest of Peyton for resisting and refusing to obey an officer. When the Sheriff arrived with a posse at the house the Sheriff made known the warrant to Peyton. Peyton then retreated the door and fired several shots. The officers were deciding what to do. Peyton fired from the house, and after seeing fire to the building with his family in it. The building was entirely destroyed, the family escaping through the help of the officers. Peyton in the mean time escaping. The Sheriff and his posse, after rescuing the family, returned to a justice of the peace and returned to the house. Peyton was taken to the jail today about 1 o'clock. He has been placed in the county jail.

Mr. Frank McWright, a respected citizen of this county, was in the city late this evening, and reported a distinctly accurate telling of the case. He said that he had seen Peyton, a man of about 40 years of age, a native of Ireland, who had been in the city for some time. He said that he had seen Peyton, a man of about 40 years of age, a native of Ireland, who had been in the city for some time. He said that he had seen Peyton, a man of about 40 years of age, a native of Ireland, who had been in the city for some time.

Mr. Hannah Kilrain, mother of the publicist, said that she had seen Peyton, a man of about 40 years of age, a native of Ireland, who had been in the city for some time. He said that he had seen Peyton, a man of about 40 years of age, a native of Ireland, who had been in the city for some time.

It is a well-known fact that Peyton's Extract is used and recommended by more distinguished people than any preparation or remedy extant.

It is used in the household of the President as well as in the humblest of homes.

Members of the army and the navy, the bar and the bench, the pulpit and the press—all ranks and classes of people, to further illustrate the fact we append a few of the most recent letters from Governors of different States.
